

Harry Potter gathering at the Castle of Piovera

Category: Recreational

description:

Enter the Magical Castle of Piovera and relive the thrills of the Harry Potter film. Visit "The Interactive Animation" zone where you will find replicas of the film sets and use the selfie stations to take photos with your favourite characters. You can walk along "Diagon Alley" and purchase back to school items: buy your wand in Mr. Olivander's shop, your uniform from Madam McClan, and refresh yourself after a day's shopping with a butterbeer at the Magic Cauldron. If it is "action" you are after, take part in the Hunt for the Horcruxes: find the seven Horcruxes hidden in the rooms of the castle; each will give you points to win the grand prize. Limited to 350 participants and the winner will receive the original Noble Collection replica of Godric Gryffindor's sword. The Prohibited Forest adventure is only for the bravest: board the Nottetempo and penetrate the forest, but be careful of the scary creatures lurking inside.

info:

On this occasion, it will also be possible to visit the Castle: the guided tours will start every 30 minutes. Entry to the park with a visit to "The Interactive Animation" €5 from 6 years of age. Admission and visit to the Castle with Hunt for the HORCRUXES, €10 from 6 years of age.
