Relais del Castello di Oviglio ****

Category: Hotels and tourist residences
business description: Castello di Oviglio is an accommodation facility of great character and historical interest which has preserved the environments and original spaces intact. The cellars, the rooms, the corridor and the library, evoke the comforts and luxury of the royal period and lead to the nine bedrooms, result of architectural work with the specific desire to have the past charm of the Castle co-exist with all modern comforts. The large park of Hotel Castello di Oviglio, dominated by century-old trees, the lower courtyard and the inner halls, are the ideal location to celebrate weddings, receptions and important banquets, a perfect green setting for gala evenings and private parties.
