Wine and Monferrato Festival 2026

Category: Enogastronomic

summary: The Monferrato Wine Festival is held annually in September, when the climate and the colors of the hills offer a truly unique show, with its energy reflected throughout the city. Each event is designed to celebrate the wine of Monferrato and the festival engages the entire city of Casale Monferrato.

description: Cultural, musical, and entertainment initiatives enrich the historic center, culminating in the weekends dedicated to food in the square on September 18-19-20 and 25-26-27. And let's not forget the unmissable Luna Park.
