Category: Show

Upcoming dates: 05-23-2026

summary: WHAT A SHOW!

The new 2025/2026 theater season at Teatro nelle Valli Bormida

Teatro nelle Valli Bormida is a theater season organized in collaboration with the Fondazione Piemonte dal Vivo as part of the Corto Circuito project, with the Municipality of Spigno Monferrato (AL), the Municipality of Monastero Bormida (AT), the Municipality of Cortemilia (CN), and with the support of Cassa di Risparmio di Asti.

The new 2025/2026 season kicks off with the title "What a Show!": an important recognition that, along with the launch of the new three-year project period supported by Piemonte dal Vivo, confirms the quality of the work carried out in the inland areas of Piedmont in recent years.

This expansion certainly entails an increase in organizational commitment, but also opens up new collaborations and opportunities for territorial development. At the helm, once again, is a motivated team that has chosen to focus on the diversity of artistic mediums (prose, dance, music, comedy, and civic theater), the involvement of local communities, and cultural risk as a driver of growth and dialogue with audiences.

Among the names on the bill: Andrea Bosca, Corrado Tedeschi, Claudia Marsicano, Serena Balivo, Gian Luigi Carlone (founder of Banda Osiris), along with other prominent guests from the Italian theater scene.

description: On Saturday, May 23, 2026, at 9:00 pm, the Teatro Comunale in Monastero Bormida will host the show "Sotto a chi Tocca" by Luigi Orengo, with Lorenzo Morena and the La Torretta company.
