BODRATO CIOCCOLATO

Category: Pastry, honey, chocolate, jam
business description: Tradition, attention and care to details combined with the love for chocolate have transformed a small workshop into a quality chocolate company. Innovative skills have allowed the company to reconcile age-old valuable recipes with new ideas to offer the market countless solutions of high quality products. In the company's store, which will move to Novi Ligure in Strada Turchino (zona Campari) from May 2014, you will find: tasting boxes with filled chocolates, bars made with cocoa selected from Venezuela and from Ecuador, the new gianduiotti in the classic version or in the bitter milk-free version and, of course, the Boero, which remains the flagship of production, for which exclusively selected ingredients are used such as cherries from Vignola and Garbagna soaked at length in the grappa of local grape varieties.
