

Casa Guatelli

Category: Rooms to let

business description: Casa Guatelli guest house makes available one suite and one double room each featuring all modern comforts which we have considered essential to allow you to enjoy your well-deserved rest at the end of a day spent traveling around this unknown area of Italy.

Part of the facility preserves the ancient walls of the village fortification, dated to 1400.

Both the guest house and the rooms have been recently restored and the furnishings completely renewed.

The suite features an outdoor terrace with table and chairs, while guests of the double room will have the small inner courtyard on the ground floor.

The rooms have separate entrances and are totally independent.

The guest house offers the possibility of indoor storage and coverage of bicycles and motorcycles and makes available basic tools for small maintenance jobs.
