Cascina Marcantonio

Category: Farmhouse holiday Agencies
business description: Cascina Marcantonio is a place of tranquility, surrounded by the breathtaking landscape of the Southern Monferrato hills, a place of beauty, traditional values and forgotten flavors. This haven, which comprises the building facing onto the garden and the pool, is a result of the conversion of a small farm nestled among the Acqui hills.

Recently renovated, in traditional Piedmontese style, the agriturismo offers a quiet garden and terraces, to enjoy moments of relaxation as you admire the breathtaking landscape of the vineyards of Monferrato as far as the eyes can see.

The nine rooms are designed to make Cascina Marcantonio the ideal place for a holiday focused on relaxation and comfort. The environments don't distract from the beauty of the landscape. The original structure is underlined by simple furnishings, articulated in the muted nuances of the natural shades.
Eight rooms and one modern design suite make for a delightful stay during which guests can discover the culture, history and flavors of the amazing territory of Piedmont.

Age-old flavors meet contemporary taste.
A land halfway between the Alps and the sea. On a hill top surrounded by
vineyards.
A cuisine which excels in the search and respect for ingredients: the vegetables, legumes, meat, cheese and eggs are of local farms, we make the
wines.
A cuisine inspired by tradition, strongly connected to the values of the land.
