QUADRIFOGLIO ALPACA

Category: Farmhouse holiday Agencies
business description: Located in southern Piedmont on the beautiful Monferrato hills, Quadrifoglio Alpaca offers potential customers and breeders the ideal opportunity to visit, see our alpacas, and learn more about these magnificent animals.
Alpacas, also known as Vicugna pacos, belong to the camelid family, domesticated animals native to South America. They are bred primarily for their fiber, considered prized for its lightness, silkiness, and hypoallergenic nature (lanolin-free). In recent years, alpaca farming has also spread throughout Europe, as they are animals that adapt well to diverse climates.
5 sunflowers - Educational farm
